RSF – right side facing, **sk** – skip,
st(s) – stitch(s), **WSF** – wrong side facing

STITCHES USED:

Notes:

The cardigan is designed to be a fairly snug fit. For a looser fit, rather work one size bigger. The fronts and collar are seamless, i.e. it is all worked together, instead of separate pieces. Start each row with a ch. This doesn't count as a stitch.

Increase (inc)

Work the 1st st of the row. In the next st, work 2sts. Work across row until 2sts rem. Work 2sts in the 2nd last st, work last st.

PATTERN:

2nd Row: Work 1htr in each st across.

Next rows: Cont working in rows of htr and at the same time, inc st at the beg and end of every 7th row a total of 6 times. Fasten off once sleeve measures 48cm or desired length. (= 44(44,44,48,48,48)htr).

FINISH UP:

Fold the back half lengthways and place a pin to mark the halfway point. Place the left front on the back, RSF and sew the shoulder up to the halfway point. Rep for the right side. Turn the garment over, the RS should be facing you. Sew the ends of the collar tog.

Fold the sleeves in half lengthways. Place the midway point on the shoulder seam, RSF, pin in place and sew tog. Pin the pocket insides and carefully sew in place, taking care not to sew st on the outside.

With RSF, pin the sleeve and side seams and sew tog. Weave in all rem loose ends. Block garment to measurement, cover with a damp cloth (or spray with water) and allow to dry.
