STITCHES USED:

Double rib:

K2, p2 to end of row.
St st = RSF = k, WSF = p except when working in the rnd when every st is k.

CURVED FRONT: (make 2)

Using 6mm ns and working back and forth in st st, cast on 14sts. St st 2rows.

Next 2 rows: Cast on 5sts work to end.

Next 4 rows: Cast on 3sts work to end.

Next 12 rows: Cast on 2sts work to end.
Inc 1st at beg on next 30 rows.

Next 4 rows: Cast on 2sts work to end.

Next 2 rows: Cast on 4sts work to end
(=106 sts).

Leave st(s) on a spare n.
Join parts using a 6mm circular n.
Working in rnds, k every st unless direct otherwise.
Cast on 58 sts.
With RSF k across 1st group. (=106sts)
Turn work and cast on 58 sts.
Turn work again.
With RSF k across the 2nd group of 106sts, (= 328sts).
Place marker at beg of rnd and keep moving the stitch marker as you proceed.

NOTE:

Make sure that your work is not twisted when you join work.
K first rnd.

2nd - 5th Rnd: P1, k56, p2, k104, p2, k56, p2, k104, p1.

Dec rnd: P1*(D2f, work to 4sts before next 2p group, D2B, p2)*.

Rep *-* end last rep with 1p.

Work 5 rnds between dec rnds, keeping p2 border correct.

Rep last 6 rnds 10 times.

Work stripe sequence as follows, at the same time dec as above 2 more times.

Cross colours at back of work to prevent a hole forming.

2 rnds in CC and 2 rnds in MC.

Rep these 4 rnds 2 times.

Work 1 more rnd in MC.

Dec rnd in MC. Dec 12sts evenly across the back and front only, as follows in next round.

After p1 border, k6*(k2tog, k2)* rep *-* 12 times end last rep with k6, p2, k10, p2 dec across back as for *-* on front, p2, k10, end with p1. (=124 sts)

Change to 5mm ns and work in CC only.

As follows: P1 *(k2, p2)* rep *-* to end of round end with p.

Work 6 more rows in **double rib**.

Cast off loosely in rib.

SLEEVES:

Using 6mm ns and MC & working back and forth with RSF, pick up 50sts along cast on edge.

Work 5 more rows in st st.

Change to 5mm ns.

Remainder of sleeve is worked in a 2 row CC, 2 row MC stripe sequence in **double rib**.

To keep the stripes looking neat the 1st row of each colour is worked in k only. The WSF is worked in **double rib**.

Work the stripe sequence 8 more times.

Length can be adjusted here.
Work 7 rows in **double rib** in CC.
Cast off loosely in rib.

CURVED RIB:

Each rib is worked separately in MC and **double rib**.

Using 6mm ns with RSF neatly pick up 78sts from sleeve edge down the first side, 10sts across the cast on edge and 78sts up the 2nd side.

Work 7 rows in **double rib**. Beg and end each row with k2. Cast off loosely in rib. Rep on the other side.

Sew up the cuffs and join the curved ribs to the MC. Worked before the cuffs.
